

2025 Maple Ridge Recycling Information

AS OF JANUARY 1, 2025, RIDGE MEADOWS RECYCLING DOES NOT PICK UP CURBSIDE OR APARTMENT RECYCLING IN MAPLE RIDGE

Recycling collection services are now provided directly by Recycle BC and its contractors, Remple Disposal and Waste Control Services.

CURBSIDE RECYCLING PICKUP

If you are a resident with questions about curbside recycling pickup, wish to request additional boxes or bags, or report a missed collection, please contact

REMPLE DISPOSAL - 778-503-1340 or mapleridge@rempledisposal.com

APARTMENT RECYCLING PICKUP

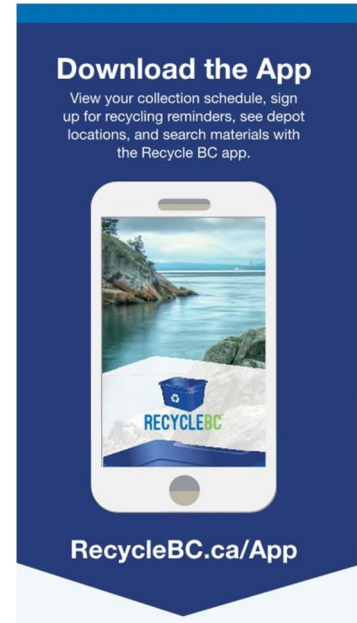

If you are a multi-family building or property manager with questions about recycling pickup, wish to request recycling totes, or report a missed collection, contact

WASTE CONTROL SERVICES - 778-503-1341 or recyclebc@wastecontrolservices.com

For further information about Recycle BC, visit www.recyclebc.ca/mapleridge or contact Recycle BC's resident support line at 778-588-9504 or info@recyclebc.ca

Download the Recycle BC App at <https://recyclebc.ca/app>

More information at www.recyclebc.ca/mapleridge

Enter your address to view or print a personalized recycling pickup calendar at <https://recyclebc.ca/where-can-i-recycle/home-collection/mapleridge/curbside>

Maple Ridge Recycling Depot & Supported Work Program still operated by Ridge Meadows Recycling Society!

All curbside recycling materials AND MORE accepted for FREE drop-off at the Maple Ridge Recycling Depot, 10092 - 236th Street, open 7 days a week! 604-463-5545

Download the "A to Z" list of accepted items at www.rmrecycling.org

Recycle BC Curbside Information

SAME CONTAINERS, NEW INSTRUCTIONS

As of January 1st, your packaging and paper recycling collection service provider changed from Ridge Meadows Recycling Society to Recycle BC

YELLOW BAG Mixed Paper Recycling

All paper, including cardboard & boxboard.
Flattened cardboard, newspaper, office paper, flyers, catalogues, magazines, etc.

BLUE BOX Mixed Container Recycling

Hard plastic & metal containers, cartons and paper cups (paper with plastic lining).

GRAY BOX Glass Jars & Bottles Recycling

Glass bottles & jars.
Please rinse & clean all glass bottles and jars before putting them in the recycling box.

RED/PINK BOX Flexible Plastics Recycling

Flexible plastics (wrappers, plastic bags).
To avoid losing small pieces, reuse a larger pouch, plastic bag, or overwrap (no need to buy new plastic bags) and use the “bag-in-bag” method to gather all clean flexible plastics together before placing in your box.

-Please don't overfill! If you can't fit everything, use a similar open box (like a laundry basket or storage box) to sort your material properly. As long as the materials are sorted according to the new streams, your materials will be picked up.

-Flexible plastics (red/pink box) are collected biweekly (every two weeks) on a separate route so will not be picked up at the same time with other recycling. Download the Recycle BC app to ensure you have the correct week for flexible plastics pickup and set reminders for pickup day.

-Please place recycling at the curb by 7a.m. on your designated collection day. Late setout will not be accommodated. No pickup on statutory holidays.

Questions about missed pickups or ordering new boxes & bags?

Contact Remple Disposal at 778-503-1340 or mapleridge@rempledisposal.com
